EXPERIENCES & ADVENTURES FACT SHEET

Widely regarded as Australia's Galapagos and brimming with diverse wildlife and natural beauty, Kangaroo Island is a place of extraordinary contrasts. With a rich heritage and a world-class food and wine culture, Australia's third largest island offers endless opportunities for exploration and adventure. Southern Ocean Lodge delivers guests a complete Kangaroo Island experience in a minimum two night stay. With exceptional guided adventures and experiences included in the nightly tariff, all guests enjoy a personalised experiential itinerary of the Island's unique natural attractions.

The Lodge activity program allows guests to experience Kangaroo Island in a stylish and relaxed manner. Southern Ocean Lodge is located at the heart of the Island's major natural attractions, bordered by two National Parks. To ensure an intimate and personal experience, excursions operate with no more than 10 guests per group, in custom vehicles with private naturalist guides. Expeditions are scheduled during off-peak times so guests enjoy an exclusive safari feel to their guided encounters.

Typical 3 Day Experiences Program

Day 1	Day 2	Day 3
am Arrive SOL	8am Breakfast	7am Breakfast

7pm Dinner at Leisure	7pm Dinner at Leisure	7pm Dinner at Leisure
	Later Southern Star Gazing	Times may vary slightly with the seasons.

*Additional charges apply.

2 Night Stays – To guarantee the Seal Bay and Wonders of KI experiences, an afternoon flight/ferry on the day of departure is essential.

Seal Bay

Seal Bay is home to Australia's third largest colony of Australian sea lions. Join our naturalist guide for an exclusive tour on the beach with these wild animals. Learn about their unique breeding cycle and the ongoing research programs implemented on site. After your up close and personal experience relax with morning tea at the picturesque Vivonne Bay.

Wonders of KI

This half day experience, operated exclusively for Lodge guests by Exceptional Kangaroo Island is a spectacular introduction to Kangaroo Island's wildlife, maritime heritage and stunning coastal landscapes and takes full advantage of the Lodge's unique location. Cape du Couedic Lighthouse, Remarkable Rocks, Admirals Arch and a fur seal colony are just some of the trip highlights. Wander amongst the rare Cape Barren Geese and search the leafy eucalypts for a sleepy koala.

Kelly Hill Caves

Take the short drive from the Lodge to meet a local National Park Guide and discover the amazing sinkholes, limestone formations and caverns of the extensive Kelly Hill Caves complex that has evolved over thousands of years.

Kangas & Kanapés

Soak up the history of the early island settlers at Edward's Cottage, the historic Grassdale property reached by a short drive from the Lodge where local wildlife including kangaroos and wallabies congregate to graze. Observe these creatures in their natural environment, sip champagne and enjoy a 'Kanapé' whilst the sun goes down on another magical day.

Star Gazing

When the night sky is clear take a journey to the remote star gazing platform and learn of ancient tales and mythologies derived from the Southern night sky. Sit back and gaze up to the unique and magical constellations of the Milky Way and Southern Cross.

Beach Fishing

Beachcombe to a nearby secluded beach, reel and tackle in hand. Wet your line and enjoy some peaceful solitude whilst dolphins crest the waves in welcome. Return to the Lodge where the chef will transform your catch into an epicurean delight for lunch or dinner. The beaches and coves are also a great spot for an early morning or afternoon walk.

Coastal Clifftop Trek

Take a scenic walk starting right on the Lodge's doorstep atop the limestone cliffs of Hanson Bay. This easy walk affords a bird's eye view of thundering waves crashing along the coastline. Stand on top of the cliff with the wind blowing, look out to sea and realise there is nothing but ocean between here and Antarctica. Experience and learn about local flora, fauna and coastline ecosystems. Tip – a photographer's dream!

Hanson Bay Sanctuary Nocturnal Tour* Provided by the Hanson Bay Sanctuary.

*Charges Apply.

The Hanson Bay Sanctuary provides a protected environment for native wildlife on the island. This nocturnal tour allows you to spot the local Koalas during their evening snooze, meet hand reared kangaroos and wallabies and with a bit of luck you may see owls or the elusive Southern Brown Bandicoot.

Discover Island Heritage

Discover the intriguing natural heritage of this wild island in the Baudin Lounge. This informative visual presentation hosted by resident naturalist staff provides insight into the Island's discovery and natural history and gives an overview of its many spectacular attractions. Refresh with a sunset drink at the convivial Lodge Bar.

Kelly Hill to Hanson Bay in Half a Day

Join our naturalist guide and explore the backcountry of Kelly Hill Conservation Park through the historic Grassdale property on to the beautiful Hanson Bay beach. A fascinating variety of vegetation types from Eucalypt woodlands through Mallee and coastal heath can be experienced on this 12 kilometre walk. The views over Grassdale lagoons provide the opportunity for sighting water birds and the meandering trail hosts a number of terrestrial orchids and wildflowers. This is a medium grade trail requiring a reasonable level of fitness and good walking shoes.

Explore Cape Younghusband

Take an awe-inspiring journey of exploration with our naturalist guide along the edge of the cliff tops to Cape Younghusband. Experience the wonder of sheer limestone cliffs and hardy flora growing along this amazing rugged coastline, spot the Osprey hovering above, the Fur Seals frolicking in the Southern Ocean waters below and the intriguing formations of the Remarkable Rocks in the distance. This 12km medium grade trail requires a reasonable level of fitness, long pants, a hat and good walking shoes.

Exceptional Private Itineraries* Provided by Exceptional Kangaroo Island

*Charges apply or included in KI Dreaming Package.

Kangaroo Island Icons: A full day tour exploring the Island's key landscape and wildlife icons includes Remarkable Rocks, the coastal grotto of Admirals Arch, home to a fur seal colony and the loveable sea lions at Seal Bay. This private safari includes a delicious lunch at an idyllic bush setting.

Exclusively Flinders Chase: Flinders Chase National Park is a vast wilderness covering the entire west end of the island. Visit a fur seal colony, Cape du Couedic Lighthouse, Remarkable Rocks, Admirals Arch and the endless bush which provides habitat for a host of Australian wildlife including kangaroos, wallabies, possums, goannas, echidnas, koalas and platypus.

North West Wilderness: A historical trip taking in some original tracks used by early settlers to access lighthouses and haul supplies from sailing vessels. Visit Cape Borda Lighthouse Station, Scotts Cove (the second highest cliffs in Australia) and Western River Cove. Take up some more challenging hiking if desired.

Epicurean Adventure: A full day tour to the Island's best produce farms. This tour encompasses wineries, a sheep dairy and seafood farms – experience the journey of produce to plate.

Art of Nature: The nature and beauty of Kangaroo Island attracts and inspires creativity. Take a journey through a selection of the Island's studios, galleries and workshops and on occasion meet the artists.

Private itineraries depart Southern Ocean Lodge at 9am and return at 4pm. Exceptional Private Itineraries include morning or afternoon tea and lunch with a choice of wines, beer and soft drinks.

Welcome and Departure Experiences*

*Charges Apply.

Private welcome or departure tours are also available and incorporate airport transfers.

Southern Ocean Welcome: A wonderful opportunity to become acquainted with Kangaroo Island via a journey through the centre of the island and along the South Coast – Kohinoor Range, Seal Bay Conservation Park, Little Sahara, Vivonne Bay. Receive an introduction to the landscape, the wildlife habitat and the local lifestyle before arriving at the Lodge.

North Coast Departure: Get your final fix of Kangaroo Island by experiencing the protected North coast – large headlands bracketing sweeping beaches and hills rolling down to Investigator Strait make for spectacular coastal vistas. Explore sheltered coves, protected valleys and open farmland. This tour ends at the Airport in time to connect with departure flights.

Welcome and departure tours all include morning or afternoon tea and lunch with a choice of wines, beer and soft drinks.

Additional Activities

Complimentary: Mountain bikes, picnic drop offs, walking trails and a DVD, book and board game library.

External Operators*: For the more adventurous, deep sea fishing, scuba diving, marine zodiac tours and helicopter scenic flights are also available. *Charges Apply. **A variety of private touring options are available with naturalist guides fluent in French, Italian and German.**

Climate

Kangaroo Island's temperate climate yields new life year round and spectacular landscape changes in each season. The warm island summer is a time of rebirth; golden pastures and enchanting wildflowers provide a nursery backdrop for the newly born young of koalas, wallabies, kangaroos, fur seals and sea lions. Kangaroo Island comes into its own during the cool season with flourishing countryside and flowing rivers encouraging wildlife to venture out by day. Daytime temperatures range from 25-35°C in summer to 14-18°C in winter.
